ELINGS PARK IS THE LARGEST PRIVATELY FUNDED PUBLIC PARK IN AMERICA

### EPDOG 2012 MEMBERSHIP APPLICATION

We are delighted to offer you the largest and most beautiful off-leash dog park in America!

Elings Park is an independent non-profit park operated with no government funding. We are dependent on public support through program fees (like EPDOG membership) or tax-deductible donations.

**Elings Park Dog Owner Group**, EPDOG is a partnership between dog owners and Elings Park, creating a membership program for the privilege of enjoying an off-leash dog park. The following conditions and restrictions ensure that dog owners and other park users co-exist peacefully and safely. Failure to comply with the following guidelines may result in revocation of EPDOG Membership.

**Cost: New Members:** \$125/year per dog | **Returning Members:** \$100/year per dog (limit of 4 dogs per visitor).

### EPDOG Code of Conduct

- Maintain control of your dog(s), on-leash and off, you are responsible for your dogs' actions at all times.
- All dogs must have a current EPDOG tag attached to their collar when on Park grounds.
- Follow all posted instructions, as well as all verbal requests by staff regarding Park use.
- Please respect our special events & weddings. And avoid areas that are posted "RESERVED".
- Please clean up after your pet everywhere in the Park. Mutts Mitts are provided for your convenience.
- Prevent dogs from digging or otherwise damaging Park property.
- Please stay off wet playing fields and obey "Field Closed" signs.
- Exert extra care in Godric Grove and Singleton Pavilion; these areas are often reserved for special events and weddings.
- Have one leash per dog in hand at all times (even when off-leash) to insure the safety of your pet.
- Keep dogs on-leash in all parking lots and roads and do not allow dogs to run alongside vehicles.
- Overly aggressive dogs, dogs in heat, or dogs with any illness are not permitted in the Park at any time.
- For the safety of your pet and as a courtesy to other park users, stay off the playing fields while organized practice or play is in progress, and remove dogs from playing fields as soon as organized use begins.
- Dogs should always remain away from picnic sites and playgrounds when being used for an event.
- Please keep dogs away from Park maintenance crews and any maintenance operations.
- Prevent dogs from playing in planters, wildflower areas and hillsides, particularly the Veterans' Memorial hillside as hillsides are prone to erosion.
- All dog bites/attacks on humans will be reported to animal control and will result in immediate expulsion from the park.
